To whomever it concerns,

I have worked with Michael and Hannah, AKA Langers Ball, on multiple occasions for many years. I have hired entertainment in the past and own multiple companies. I can say without a moment of hesitation that Michael and Hannah are exactly what a producer/director looks for when hiring entertainment.

From the boundless energy, to the music, the story telling and generally great show they are an act that hits the very rare combination of multi-faceted AND high quality.

I rarely agree to write recommendations as I feel it is my reputation on the line when doing so. I happily am writing this as I know the show these two deliver.

If you have any questions at all please feel free to reach out directly to me.

Sincerely,
Mark Lazarchic
